

Purchase A Heritage Brick Today!

Purchasing a Heritage Brick in honor or memory of a Chapter, Lodge, parent, loved one, special friend or event is a timeless gift to commemorate and celebrate the opening at our new Grand East facility.

Through the creation of Heritage Plaza on the new location, the Prince Hall Jurisdiction of Georgia will have a beautiful scene that recognizes the bonds of friendship and PHAnily through a symbolism of interlocking pavestones bearing their names.

Become a permanent part of history and join us as we take the Jurisdiction to the next level...one brick at a time.

How much is a heritage brick?

The price for the Heritage Brick is \$250 per brick. This price includes two lines of engraving. Each text line contains 18 spaces.

What does the money from the bricks support?

The money from the campaign will be used for the funding of the construction, maintenance and the purchase of furnishing items for the Grand Jurisdiction's facilities.

If I order a brick and change my mind, how can I cancel the order?

All brick order sales are final and orders cannot be cancelled or refunded.

Can I add anything else to the brick?

Yes. You may place **two** of the pre-selected emblems located on the order form for an additional \$25 per emblem. You may also add **one** additional line of text for an additional \$5.

After I place my order can I change the text?

You will receive a verbiage verification letter in the mail shortly after you place your order. If you wish to make any changes to your text it has to be done on this verification. Text changes cannot be done over the phone. If you make changes to your text on the verification letter a new one will be created and mailed to you to ensure that the new text is what you want. You will have to return this second verification before engraving can begin.

The text on my verbiage verification is correct. Do I have to return it?

Verbiage verifications are sent to ensure that your bricks are engraved with the exact text, spaces and characters that you want. Plaza and replica bricks will not be engraved until the verification is signed and returned. We require these returned verifications because we want to make sure that your brick looks the way you want it.

If I place an order and decide that I would like to order another brick what do I do?

Ordering more than one product is simple. Each product must be separately ordered and can be done online or by utilizing a printed order form for each order. We require each order to be submitted separately to ensure that each brick is properly engraved with the correct verbiage on the desired product. Having separate orders for each product will guarantee that your bricks will be sectioned properly and that you will be informed of the location of each.

Because I paid for the brick it is my property, correct?

The Prince Hall Jurisdiction of Georgia is proud to offer the opportunity to install your personalized bricks at the Heritage Plaza. These bricks are meant to show the honor, support and memories that we have. Because of this, your heritage brick purchase becomes the property of the Prince Hall Jurisdiction of Georgia and cannot be removed by the purchaser for any reason.

How long after I place an order will my brick be installed?

Once the Heritage Brick sections have been created the bricks will be installed once the section has enough bricks to fill the corresponding area. Bricks will be sectioned and installed throughout the year as orders are received.

How will I be able to find my engraved bricks?

Your order will be sectioned into the designated areas of the Heritage Plaza and you will receive a locator letter and a map depicting where your bricks will be installed. The letter will depict the verbiage that you chose to have engraved on your brick as well as a section number that will correspond

I want to order a replica brick. If I order a replica will it be an exact replica of the one being installed at the Heritage Plaza?

If you choose to order a replica of your brick, it will be an exact replica of your order that is being installed at the plaza. All replica bricks will be the same size, color and have the same text on them as those that are installed and cost \$125.

How will my replica be shipped and does it come with anything other than the brick?

Replicas are wrapped to prevent damage and shipped directly to your address of choice via UPS. Replicas are a great gift idea and come with a formal personalized certificate that can be framed and given with the brick as a gift or displayed in your home or office.

How long after I place the order for my replica will I receive it?

Replicas will be engraved and shipped 6 – 10 weeks after your order is verified. Before the engraving process can begin you must approve, sign and return a verbiage verification to ensure that the text is exactly what you want.

I want a replica brick but do not want a brick installed at Heritage Plaza, is that possible?

The replica gives you the opportunity to have an exact reproduction of the installed brick for your home, office or to give as a gift. In order to purchase a replica brick you have to have an order installed at Heritage Plaza.

I ordered a replica with my Heritage Brick order last month and now need to change my shipping address.

How do I do that? Can I ship to a PO Box?

Once an order has been placed shipping addresses cannot be changed. Please provide us with your correct street address for prompt delivery. Replicas are shipped directly to you via UPS and therefore we cannot use a PO Box as a ship to address.

Where do I send my order and payment? How do I pay?

Check or money order payments may be sent by mail and made Payable to "Prince Hall Grand Lodge Building Fund". Envelopes should be addressed to:

**Prince Hall Grand Lodge of GA
Attn: Brick Campaign
330 Auburn Avenue
Atlanta, GA 30303**

Please be aware that order forms submitted without the entire payment will not be processed.
